

## The Year Gone

Gary, Greg and the staff at Prestige Joinery Ltd take great pleasure in wishing you all a fun-filled, relaxing, enjoyable and safe festive season and look forward to renewing your acquaintance in 2005. Now that Christmas is very nearly upon us we reflect on a very successful year with many new relationships forged and present ones maintained. It is interesting to note that we have manufactured more kitchens this year than in the past and has proved a very successful foray into the kitchen market. Our computer kitchen programme has proved an invaluable tool and has shown clients the finished product in 3D and colour, a very satisfying outcome. The ability to incorporate client changes relatively easily is a real boon. Tracey and Greg have been very busy with clients, preparing plans, site visits, measuring, incorporating changes and preparing the end result. We pride ourselves in the quality of our joinery and back this up with a service to match.

We trust that you all will have a safe and enjoyable festive season and hope that 2005 will bring everyone good health and prosperity.

### Gary

It has finally happened, Gary has decided to hang up his apron and retire. After a good many years in the business with years of enjoyment, tinged with odd moments of sadness and discomfort, Gary thought that now was the time to start enjoying his later years fire up the bus and he and Elva could clock up the miles enjoying our country. Over the years Gary has accumulated an enormous amount of knowledge and this along with his experience will be sorely missed. He has single handedly built this business into the respected and successful entity it is today moulding a highly experienced and skilful staff in the process. While he will retain a directorship in the company he will hand over the reins to Greg who will continue to grow the business ensuring that quality remains a major feature of Prestige Joinery. We the crew of Prestige Joinery have shared many interesting times with Gary and we wish Gary & Elva all the very best for a safe and enjoyable retirement. Good luck you will be missed.
